Feb. 10, 1934 Examined and approved by auditors

Carrie Currier.

The circulation has increased approximately 140% over last year and the service at Enfield Center deserves special mention. A great deal of necessary mending and repair work has been done and the shelves and books plainly marked. A pamphlet and picture collection are being started, two scrapbooks covering the town history since 1895 are nearly completed and reference material is being slowly added to the library. We have been very fortunate in the many gifts of money and books which we have received this past year including those appearing in the report above, a gift of 90 late fiction books from Miss Berniece M. Huse, 4 books from Manly Wilmot, 9 books from the Howe Library, Hanover, 13 books from the New Hampshire Library Commission, and single book gifts from the Athena club, Mrs. Pearl Holt, Mrs. Elizabeth Pierce and George Fogg. The new lights, curtains, chairs, etc. add much to the attractiveness of the library rooms. The trustees and librarians have, to the best of their ability, expended the funds in their charge with a view

to the best interests of the taxpayers and to give the greatest service at the lowest possible cost.
